THE STATE OF UKRAINE

Beginning in the mid-1950s, outbursts of political protest against the totalitarian system gained momentum in Ukraine. An increasing number of illegal samvydav literature was published, and several dissident organisations and groups appeared. In late 1980s Gorbachev's *perestroika* and *glasnost* served to develop the society. In 1988 the *Ukrainian Helsinki Union* was organised. In 1989 the *Rukh National Movement for Perestroika* in Ukraine was formed (since 1990 known as the *Narodnyi Rukh of Ukraine*).

On June 16, 1990 the Verkhovna Rada of Ukraine passed the *Declaration on State Sovereignty* of Ukraine. On August 24, 1991, the Ukrainian Parliament solemnly¹ proclaimed Ukraine's independence and the formation of the independent state of Ukraine, proceeding from the right to self-determination², provided by the United Nations Charter and other international documents.
