Ann: What is Buckingham Palace? Where is 10 Downing Street? I don't know.

Betty: Buckingham Palace is the Queen's home. Queen Elizabeth lives there.

Will: And 10 Downing Street is the Prime Minister's home. All our prime ministers live in this house.

Ann: Can tourists visit the Palace and the Prime Minister's home?

Hugo: We are lucky. (Нам повезло.) We can visit Buckingham Palace. Granny has five tickets. Get ready — it's not open every day.

Will: We can't go into the Prime Minister's house, but you can see the street. It's interesting.
